

NPP/NHPU Series

Features

- Various power packs are available with standard components and tank sizes.
- Custom-made solutions are available.

How to Order

NHPU -

① ② ③ ④ ⑤ ⑥

① Series

NPP	Power pack (tank capacity ≤ 70 liter)
NHPU	Hydraulic power unit (tank capacity ≥ 70 liter)

② Tank Capacity

004LT	4 liter
006LT	6 liter
...	...
500LT	500 liter
~	According to customer's need

③ Electric Motor

0.2KW	0.2 kilo Watt
0.4KW	0.4 kilo Watt
0.75KW	0.75 kilo Watt
2.2KW	0.4 kilo Watt
0.2KW	2.2 kilo Watt
...	...
~	According to customer's need

④ Hydraulic Pump

GP	Gear pump
VP	Vane pump
PP	Piston pump
~	According to customer's need

Please specify the displacement capacity (cc/rev) of the chosen pump. For example: GP2.5CC (gear pump 2.5 cc), VP10.8CC, etc.

⑤ Number of manifold block stations

MBS1	1 station
MBS2	2 stations
...	...
MBS10	10 stations
~	According to customer's need

⑥ Special order

Black	Standard
M	Custom made dimension and specification
